

WisDom

Wireless Domestic Security System

*Embrace Wireless
with WisDom*

Simple, Quick and Reliable – that is what it boils down to when selecting a wireless security system. And that is what **WisDom** is all about.

WisDom is the SIMPLEST and FASTEST wireless security system to install: once you experience the time and cost savings of Rokonet's unique installation tools and simple programming logic, you will never want to install a different alarm system.

WisDom is also the most **RELIABLE** system on the market, providing years of trouble-free service and freeing you up to work on your future installations.

**Embrace Wireless with WisDom
– the best value money can buy.**
