HID iCLASS SR 2k bit, Keyfob standard iCLASS and Prgm SIO(iCLASS SR Keyfob Contactless Smart Card, 2k bit with 2 application areas, standard iCLASS and SIO

2050HNNMN

HID iCLASS SR 2k bit, Keyfob standard iCLASS and Prgm SIO(iCLASS SR Keyfob Contactless Smart Card, 2k bit with 2 application areas, standard iCLASS and SIO

Technical specifications

Technology

Support technology 13,56 MHz	iCLASS (custom data)

System

Card slot punch	No

Printing

Direct surface printing	No
Thermal transfer printing	No

Ordering information

Minimum order quantity	100
Special card order form required	No

Physical

Form factor	KeyHanger
Physical dimensions	40 x 32 x 6 mm
Net weight	4 g

Environmental

Operating temperature	-45 to 70°C
